

The frogs are calling you

Frogs are
**AWESOME &
YOU KNOW IT!**

*Join us as a
frog citizen
scientist*

Anyone can become a frog citizen scientist. Just visit wetlands across northern Victoria and use the FrogID app to record calling frogs. You'll be contributing to valuable scientific research.

Download FrogID & help us find out how frogs respond to watering of wetlands

The Wetland Monitoring Assessment Program (WetMAP) is tracking the health of our wetlands to better understand how plants and animals respond to the delivery of water for the environment.
