

Help us understand more about Victorians and their connection with nature by participating in this survey

- Nature Connection Survey -

By participating in this survey, you will help us to understand how we as Victorians interact and connect with nature. You will be asked to answer some questions about what you think about nature including, some things you do in nature. There are no right or wrong answers and the information you provide will help us to make better decisions to protect the natural environment. It is completely anonymous and should only take around 5 minutes.
